

Fraudulent Job Advertisement

FELDA has been made aware of a job advertisement published by a media house in Nepal claiming to offer employment with Felda Technoplant Sdn Bhd. FELDA wish to inform that the advertisement published by the press and the recruitment agency namely Khoji is Fake.

FELDA and its subsidiaries have not appointed Khoji or any recruitment agency in Nepal for its plantation operations. Felda Technoplant Sdn Bhd is no longer using this brand name and has been rebranded to Felda Plantation Management Sdn Bhd in June 2021 to assume roles in plantation management for FELDA.

In the interest of the major public, FELDA strongly advise the public to contact FELDA Headquarters to verify any job offers or job advertisements issued by any third party recruitment agencies.

Verification on jobs recruitment can be made via these following channels:
